

The
phoenix

Located in the heart of Jakarta's financial and entertainment neighbourhoods lies The Phoenix — a contemporary venue, lounge and garden perfect for events, gatherings and celebrating life's best moments

WELCOME TO THE PHOENIX

From the ashes of itself, the Phoenix, a mythical bird that is a fire spirit with a colorful plumage and a tail of gold and scarlet is reborn anew to live again. It is said that the bird's cry is that of a beautiful song. Long known to be a symbol of high virtue, justice and grace, this powerful bird has been depicted throughout Asia and other parts of the world in art, music and culture.

The story of the The Phoenix is symbolic to the renewal of the property at Jalan Wijaya I No 25, Kebayoran Baru into Jakarta's newest function space set in the heart of South Jakarta. It is designed to serve a modern generation for private parties, intimate wedding celebrations, corporate and family events.

Experience a setting unlike any other in Jakarta.
